The Smart Country Startup Award in a nutshell

The Innovation Award honors outstanding innovations in the fields of **Smart City** and **GovTech**.

Five startups get the chance to pitch in front of a high-profile jury and expert audience.

The Sponsoring Package

- Stage presence via a jury seat and a spot on the expert panel immediately before the award without parallel sessions
- High-quality presentation video to be shown during the award
- Handing over of the 'winner certificate' at the award ceremony
- Connecting with exciting startups and access to all applications
- Positioning of your own brand in the event communication and at the award ceremony - with logo where possible
- Mentions on social media channels of the Bitkom Group with around 60,000 contacts

Price: 12,000 €* for exhibitors, 18,000 € for sponsors without stand

- OPTIONAL: 10,000 € for hosting the Award Night at your own stand
- OPTIONAL: 20,000 € for hosting the Award Night at our exhibition space

*All prices quoted are subject to value added tax.

The Procedure

- 20-minute expert panel on the importance of startups for a digital state with the sponsors
- Introduction to the award
- Introduction of the jury and presentation of the sponsor videos
- 5 x 3-minute pitches and 3-minute Q&A
- Announcement of the winning startup
- Closing presentation
- OPTIONAL: Hosting of the Startup Award Night
